

We couldn't do this without you!

Thank you so much for considering a donation in addition to your subscription. Having experienced the Symphony's superb concerts, performed by your community-based orchestra, you may not need an extra reason to make a donation, but you can be certain that your donation will:

- Help defray the costs of bringing the season and music to you, because ticket sales cover only 1/3 the cost of bringing the experience to you.
- Help nurture the next generation of musicians. The Youth Symphony gives 200 young musicians the only experience between Santa Barbara and Monterey to play orchestral music.
- Help provide music experience and education programs such as Strings in the Schools in 3rd grade, Music Among the Books in libraries, and the Musical Petting Zoo.
